

Privacy Policy

At Zep Computer Training & PowerPoint Communications (Zep Computers), we recognize the importance of protecting an individual's right to privacy. The Personal Information that you provide to Zep Computers is confidential. Zep Computers does not disclose, sell or in any other way distribute your Personal Information except as required or permitted by law.

How Your Information is Used

The only Personal Information that Zep Computers collects on this website is the information you provide to us voluntarily by sending us an e-mail message, completing forms or using the links contained on this website. Zep Computers collects and uses the information you submit on or through this website to respond to your inquiries and to provide you with updates and information that we think may be of interest to you. In providing Zep Computers with any Personal Information on or through this website, you consent to the collection and use of that information in accordance with this Statement.

Links

This website contains links to other websites that may collect Personal Information. The provision of links is for your convenience and does not constitute an endorsement, recommendation or approval of these other websites. Zep Computers does not assume responsibility for the privacy policies or practices of the websites accessed. Users should consult these privacy policies before providing any Personal Information to those websites.

How Your Information is Kept Secure

Your Personal Information is treated as private and confidential by Zep Computers. However, no communication over the Internet is completely secure. Zep Computers does not guarantee the security or confidentiality of any e-mail or other electronic communications sent to Zep Computers personnel.

Access to Your Information

If you wish to access the Personal Information that you have provided to us through this website, or request that any of this information be updated, corrected or deleted, please contact us at info@zepcomputers.com
